

Solar inverter lightning arrester

Overview

PolyPhaser and Transtector arrestors are high-quality products for lightning-prone sites and larger installations. These durable units offer robust protection and compatibility with various system voltages. Some devices have indicators to display failure modes.

Article Content

What is plug-in solar (balcony solar)?

Plug-in solar, also called balcony solar, are solar panels that connect to a standard power outlet. They supply power directly to your home. They are a plug and play way to reduce our

SOLAR | Division of Information Technology
