Solar battery storage in Melbourne: Compare prices & installers

Melbourne's Four Energy Storage Customer Categories
Category 1: Existing Solar PV System with Access to Vic's Premium Feed-In Tariff
Category 2: Existing Solar System on The Transitional Feed-In Tariff
Category 3: Existing Solar System with No Feed-In Tariff
Category 4: No Solar System Yet Installed
If you're in category 1, it will most likely not be in your best financial interest to have batteries installed at this point in time. The extremely generous 60c/kWh solar feed-in tariff which you are currently receiving will continue to be paid out until 2024. Because your solar energy is worth more to you if you sell it into the grid, you have li...
